

## Capabilities Statement

Located in Atlanta, GA, Black Knight Medical is a service-disabled, veteran-owned medical supply distributor servicing healthcare systems both domestically and abroad. We're proud of the cornerstones of our company: intelligence, streamlined logistics, a highly trained customer service team, and our commitment to operational excellence. Utilizing these key strengths, Black Knight Medical provides smarter, more efficient strategies for our clients in the sourcing of medical, surgical, and healthcare supplies. We know that the medical supply industry is an ever-evolving field, and it takes a perceptive distributor with a vision to capitalize on the emerging innovations and products that become available each day. Our organization possesses the insight needed to adopt and source the best products in the industry and leverage our strategic partnerships to pass the savings on to our clients.
